Thanks to the generous support from the STAR members and Chapters the Star Family Foundation, founded by Ginger Cease, President, has been in existence since 2006. During this time we have been able to help members who have lost their loved ones due to motorcycle accidents, help children and adult members with transportation or receive necessary treatment for life threatening illnesses and a child to receive a dog trained to monitor his blood sugar to decrease his risk of having seizures, also aid members in financial stress due to surgeries, long term illnesses, or medication/hospital costs. The Foundation has given out thousands of dollars in financial aid to STAR members.
